c3controls acknowledges its obligations under Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

Under REACH terminology, the products listed above are classified as Articles without intended release of chemical substances. Based on technical data provided by our supply chain, material evaluations, and internal audits across all product components, c3controls hereby declares:

1. Article 33 — Substances of Very High Concern (SVHCs)

None of the products or sub-components/articles contained within the TBRS Series contain any of the Substances of Very High Concern (SVHC) included in the European Chemicals Agency (ECHA) Candidate List in concentrations exceeding the 0.1% weight by weight (w/w) threshold.
A full “Candidate list of substances of very high concern for authorization is available at: https://echa.europa.eu/candidate-list-table

2. Annex XVII Restrictions

The products listed above do not contain any restricted substances listed in REACH Annex XVII (including all applicable amendments) at concentrations exceeding the restricted limits specified for industrial electrical equipment.
As of REACH Annex XVII, there is a list of substances that are listed on the Restricted Hazardous Substances list. A full list is available at:
https://echa.europa.eu/substances-restricted-under-reach

3. Continuous Monitoring

c3controls actively monitors updating ECHA Candidate Lists and maintains ongoing inquiries with its component and raw material vendors to ensure continued REACH compliance and accurate disclosures.

If you have any questions regarding this declaration, please contact c3controls at info@c3controls.com (Subject: REACH Compliance - Terminal Block Relay Socket (TBRS Series).
