

Quality Policy

c3controls is committed to providing customers world class quality products that meet their requirements, with exceptional delivery and attractive pricing. This is accomplished by continually monitoring and improving our quality management system, maintaining focus on our strong core values, competencies and innovation while effectively teaming with our co-workers, vendors, partners and customers to continually evaluate and improve on our knowledge and skills.

A handwritten signature in blue ink, appearing to read "Geoff Taylor".

Geoff Taylor
President & CEO, c3controls
